Today's the Day to think about the value you place on your eyesight. Think about how your generosity can help the blind see Jesus through the church's outreach ministry to those who can't see like you do. Christian Record Services for the Blind hopes it never needs to serve you with Braille, large-print, or audio materials due to sight loss. You can help make sure it's here for those who depend on its services. To direct your offering toward helping the blind see Jesus, please write CRSB on your tithe envelope or use the special envelop provided.

Food for Thoughts

"All true obedience comes from the heart. It was heart work with Christ. And if we consent, He will so identify Himself with our thoughts and aims, so blend our hearts and minds into conformity to His will, that when obeying Him we shall be but carrying out our own impulses. The will, refined and sanctified, will find its highest delight in doing His service. When we know God as it is our privilege to know Him, our life will be a life of continual obedience. Through an appreciation of the character of Christ, through communion with God, sin will become hateful to us."
