That's where our church's ministry to those who are blind or visually impaired comes in. The focus of NEXT WEEK'S World Budget Offering is on Christina Record Services to the blind. Plan ahead and please remember to write CRSB on your envelope or use the envelope which will be provided. You will be helping the blind see Jesus through special materials produced in Braille, large-print, and audio formats as well as through a unique camping program.

## Food for Thoughts

"The third angel, flying in the midst of heaven and heralding the commandments of God and the testimony of Jesus, represents our work. The message loses none of its force in the angel's onward flight, for John sees it increasing in strength and power until the whole earth is lightened with its glory. The course of God's commandment-keeping people in onward, ever onward. The message of truth that we bear must go to nations, tongues, and peoples. Soon it will go with a loud voice, and the earth will be lightened with its glory. Are we preparing for this great outpouring of the Spirit of God?"
